### ***Generous Support for the Barenboim-Said Akademie by G. Henle Publishers***

***Berlin, December 2019***

G. Henle Publishers generously support the Barenboim-Said Akademie, Berlin, by donating their entire Urtext sheet music catalogue. The Barenboim-Said Akademie recognizes this partnership as a most valuable academic and pedagogic initiative for their students. The donation is comprised of 1249 music books by 55 composers and represents the entire Henle Urtext catalogue.

***Felix Henle***, Chairman of the Board of the Günter Henle Foundation: “Our support of the outstanding work of the Barenboim-Said Akademie is something that is very close to the heart of our foundation. Without doubt, the excellent training and the wonderful atmosphere at the Akademie would have also appealed a great deal to my grandfather, Günter Henle, the founder of the Urtext publishing house.”

***Maestro Daniel Barenboim***, President of the Barenboim-Said Akademie: „I have benefited for many decades from the Henle Urtext piano and chamber music editions. It was an edifying experience and I am now profoundly grateful to the Günter Henle Foundation and its G. Henle publishing house for their generous gift, which will ensure a very high editorial collection for all the students at the Barenboim-Said Akademie.”

***Prof. Dr. Michael Naumann***, Rector of the Barenboim-Said Akademie: „It is a special experience to be the recipients of a donation which embodies the spirit of Günter Henle, a highly cultivated German entrepreneur, whose love and knowledge of music remains unsurpassed amongst fellow industrialists of his time – and those who followed him.“

***Prof. Dr. Mena Mark Hanna***, Dean of the Barenboim-Said Akademie: „This generous donation from Henle grants our students and faculty unparalleled access to some of the finest notational music editions in Western music. Henle’s Urtext editions are a great pedagogic tool and key to the development of young musicians.“
